8. Buttonholes - Chain 6, sl st into base of chain (top corner buttonhole), sl st over sides of the rows to bottom of 1st row (7-8 slip stitches), chain 6, sl st in base of chain (bottom corner buttonhole). Tie off. Weave in both loose ends.
9. Finish - Attach buttons.

Notes

**If your chain measures significantly longer or shorter than 9 inches, this mean that your yarn is a different weight or your stitches tighter or looser than mine. You can easily adjust the pattern by adding or subtracting 3 from each row. If you measure more than 9 inches, adjust with a chain of 29 instead of 32. Shorter than 9 inches, then chain 35. Additionally, in rows 2-5 you would repeat from * 7 or 9 times instead of 8.
